

**STATE OF TEXAS
OFFICE OF THE GOVERNOR**

Greetings:

As Governor of Texas, it is my pleasure to welcome everyone to the inauguration ceremony for Monterrey 9-1-1 Mexico's new wireless 9-1-1 service.

As governor of the second largest state in the United States, I recognize the importance of promoting and enhancing the quality of public safety. It is the devotion to this essential duty, a commitment Monterrey 9-1-1 Mexico has exemplified, that helps to keep our communities safe, secure and prosperous.

I commend your efforts to not only safeguard the lives of your citizens through your new 9-1-1 service, but to also help ensure the safety of American citizens within your borders. I am sure the addition of location information on wireless emergency calls will go a long way to save lives and ensure justice is served in emergency situations.

First Lady Cecilia Abbott joins me in sending best wishes for your inauguration ceremony.

Sincerely,

A handwritten signature in black ink that reads "Greg Abbott".
